

Exciting new opportunity

**Education
and Training**

GRANTS

- **Are you looking to advance your career in horticulture or crafts?**
- **Would your career benefit from additional training or qualifications?**

If so, grants are available to help you develop your career.

Applicants must be a resident of Easton-on-the-Hill

- Applications can be submitted for course costs, equipment, uniform, PPE and other learning materials.
- Applications are for further education, training and development of horticultural and craft related careers.
